Mr. Benjamin Nieves
P & R Team State Coordinator
ACFEI
Drive Inn Plaza PMB 277
Suite 15
Bayamon, P.R. 00959

Dear Mr. Nieves,

It is always a pleasure speaking with you and I continue to be impressed by the level of quality professionals you have assembled in your state program. I am in possession of a letter you wrote to the Homeland Security Officer for San Juan, Mr. Adalberto Mercado who has asked me to consider you and members of your organization for the DHS-RMD Critical Infrastructure Protection Team (CIP), World Baseball Classic 2006, Hato Rey, Puerto Rico. The event is of significant importance and will command international media attention.

The CIP Team will be responsible for identifying operational equipment critical to the operation of the stadium. We will conduct a quick security assessment of the asset and provide options for consideration to local security workforce responsible for the physical security of the stadium. This will help them in their mission to ensure the facility, employees, players and patrons enjoy the classic without interruption of service due to an act by unscrupulous personnel wishing to do harm or cause Major League Baseball and Puerto Rico embarrassment for their political gain.

I request that you assemble five members of your organization that are Certified Homeland Security level III or above to work as volunteers to help in this most important mission.

I thank you for your consideration and remain,

Respectfully yours,

Paul Perez Barroso

Paul Perez-Barroso, CPP
Protective Security Advisor
